Why Partnerships Matter

- Complex challenges need collaboration
- Leap's role seeks to convene, connect, enable and influence
- Stronger relationships = stronger system

Intentional reflection on our partnerships

- **Six-monthly reflection** on ~130 organisations
- **Cross-team perspective** to understand strengths, gaps and opportunities
- **Helps us improve** how we show up in partnerships
- Already shaping place work, engagement, and decisions

Difference it makes in practice

- Strengthened internal collaboration
- Better informed decisions
- Identified gaps to focus resources

Shaping how we work, together

- Online survey (5-10 minutes)
- Leap team members reach out to offer check in meeting
- Runs til 31st March
- Thank you
